• Oilfield Reporting Service
• Regulatory Reporting
• Lean Automated Reporting
• Lessons Learned Database
• Enterprise Knowledge Awareness
• Operational Performance Dashboards
• Self Service Data Analytics
• Drilling Performance Monitoring
• Drill Well on Knowledge (DWoK)
• Collates Disparate Data Sources
• Visualise in Industrial Language
• Narrative For Engineers
• Subscription Model
• Community Best Practice
• Community Benchmarking
• Reduces Development Time
• Reduces Training Time
• Makes us better story tellers
The future

- Immersive analytics – VR
- Analytics over Augmented Reality
- Machine Learning
